Dear Parent/Guardian,

Ref: EXTENDED CURRICULUM - **'WE NEED YOUR SUPPORT'** initiative

Hills Road students enjoy one of the largest extended curriculum programmes in the country, broadening & challenging their educational experience each week through a choice of over 70 activities, covering physical, creative, entrepreneurial and academic spheres.

We are blessed every year with parents who take a very keen interest in their children's progress here at Hills and we would love to harness that fantastic interest and energy to help us continue to deliver a broad-ranging and stimulating programme of Enrichment. With that in mind, we would like to invite you to consider becoming involved with the Enrichment programme in some capacity.

You might have expertise in a particular field (e.g. marketing; social media; financial services, etc.) that we could tap into, either on a one-off or a regular basis, or you might have some time you could volunteer to help run an activity.

If you would like to become involved, or just find out more about what Enrichment at Hills is all about, please contact me by e-mail: aduffy@hillsroad.ac.uk or calling 01223 247251 ext. 1220.

Many thanks,

Ayden Duffy
Head of Enrichment
